Ace 11+ Entrance Exams

Is your child stumped by sums, fazed by fiction or rattled by reasoning?

Our Ace 11+ Entrance Exams live lesson course transforms uncertainty into confidence – and confidence into results.

Join Anita and her expert team for dynamic, interactive sessions in maths, creative writing, English and reasoning. We place a special emphasis on:

- **Maths** – to strengthen fluency and sharpening problem-solving strategies.
- **Creative writing** – to help young authors plan, polish and perfect compelling stories.
- **Reasoning** – to build speed, pattern-spotting skills and get to grips with adaptive tests.

Alongside subject mastery, we equip students with insider exam tips and proven strategies, from understanding adaptive exams to tackling tricky questions, so they can approach the big day with calm focus.

Lessons are tailored to the content and types of questions seen in 11+ entrance exams, giving your child the skills and strategies to walk into the exam room ready to shine.
