

Bursary timeline

This timeline gives an overview of what to expect from the bursary application process. We always recommend checking with your target schools for the exact timings as deadlines vary widely between schools. Schools are not usually able to accept registration or bursary applications after their deadline.

While your child is in Year 6:

Autumn term

- Register with the school and request bursary application form
- Confirm application deadlines with the school
- Gather financial documentation

October–February

- School entrance assessments & interviews take place

Early January

- Submit bursary application form and supporting documents

January–February

- Bursary assessment process and home visit

February

- Offer of school place
- Outcome of bursary decision
- Accept or decline school place

Each school year

- Bursaries are reassessed and adjusted where needed
